PROMO

March

Discover the flower symbol of Lucca!

Take advantage of the promotion to discover Villa Reale di Marlia at a **promotional price**, in collaboration with the Camellietum Compitese!

Just **15 km** from the Villa Reale di Marlia, in March, the **exhibition of the ancient camellias of Lucca** takes place for more than thirty years.

A route to discover flowers and gardens in the villages of Pieve and S. Andrea di Compito: it is possible to visit Camellietum Compitese (the most visited camellia garden in Italy with a thousand cultivars of 19th century camellias), The Fiore Reciso

exhibition (on weekends), the unique tea plantation of the Compito area and specialist nurseries selling Camellia plants.

The exhibition follows a **walking route** and takes around **2 hours**: food, drink and music accompany the experience!

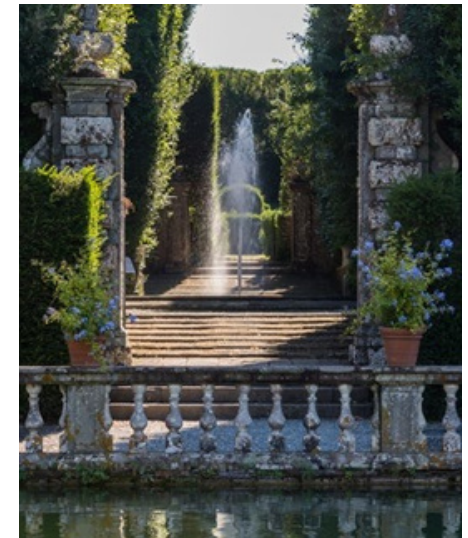

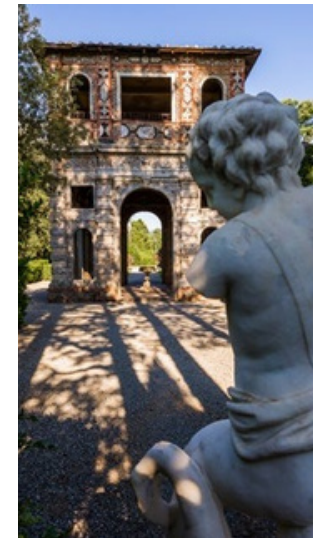

To complete the experience, you can visit Villa Reale di Marlia, **every day from 10 am to 6 pm** discovering the enchanting gardens including a series of paths featuring over 50 historic camellia plants: the collection of camellias dates from 1808, when the first introduction of the plant to Lucca was documented thanks to **Elisa Bonaparte Baciocchi**.

To complete the experience, it's possible to add the visit of Elisa Baciocchi's empire-style rooms inside the Royal Villa and the museum of Clock House dedicated to Countess Mimì Pecci Blunt.
